

Great War : Photographs from a Calendar (2)

'The Unreturning Brave', Footscray Soldiers Who Have Fallen During the Year While Fighting the Battles of the Empire 1919

The photographs on this page have been taken from a calendar printed for the calendar year 1919 by James Jamieson at "The Advertiser" Office 35 Nicholson St Footscray." It was issued with the Advertiser on Saturday January 4, 1919.

The majority of soldier portraits frame the calendar. A minority of soldier portraits appear in the centre of the calendar. Not all are clear enough to be reproduced on this webpage. Those whose portraits have been reproduced here appear in alphabetical order of surname.
